

What do we do?

By Abu Haneefa

What do we do?

**When someone is good to you.
Ask Allah to give them a good reward.
And say to them a good word.**

What do we do?

**When someone gives a gift to you.
Thank them by saying JazakAllah khair.
Because that shows we really care.**

What do we do?

**When someone is kind to you.
Make dua for your friend.
A present to them you should send.**

What do we do?

**When someone shares with you.
Ask Allah to bless them and send His Mercy.
And next time share your fruit, nice and juicy!**

What do we do?

**When someone isn't bad to you.
Say Al-Hamdulillah again and again.
Lets thank Allah without any complain.**

All praise and thanks belong to Allah!
