I ask Allah to protect me from Shaytan by saying...

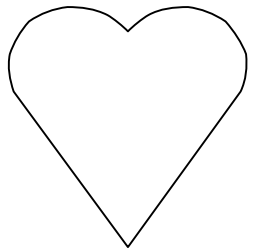

“A-oo-zu-billahi min ash-shaytaan ir-rajeem”

I seek refuge with Allah from the  
Devil, the rejected one.

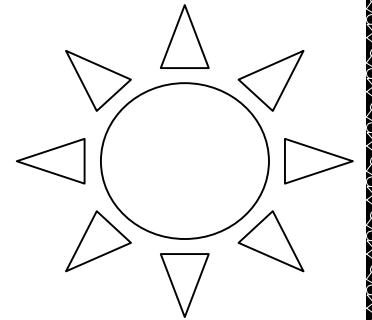

Before I start anything, I say...

“Bismillah”

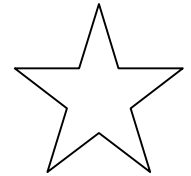

In the name of Allah.

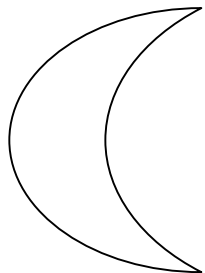

When I meet another Muslim, I say...

السلام عليكم

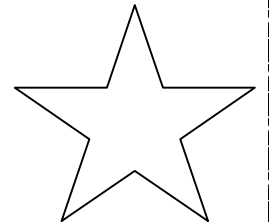

“As Salamu Alaykum”

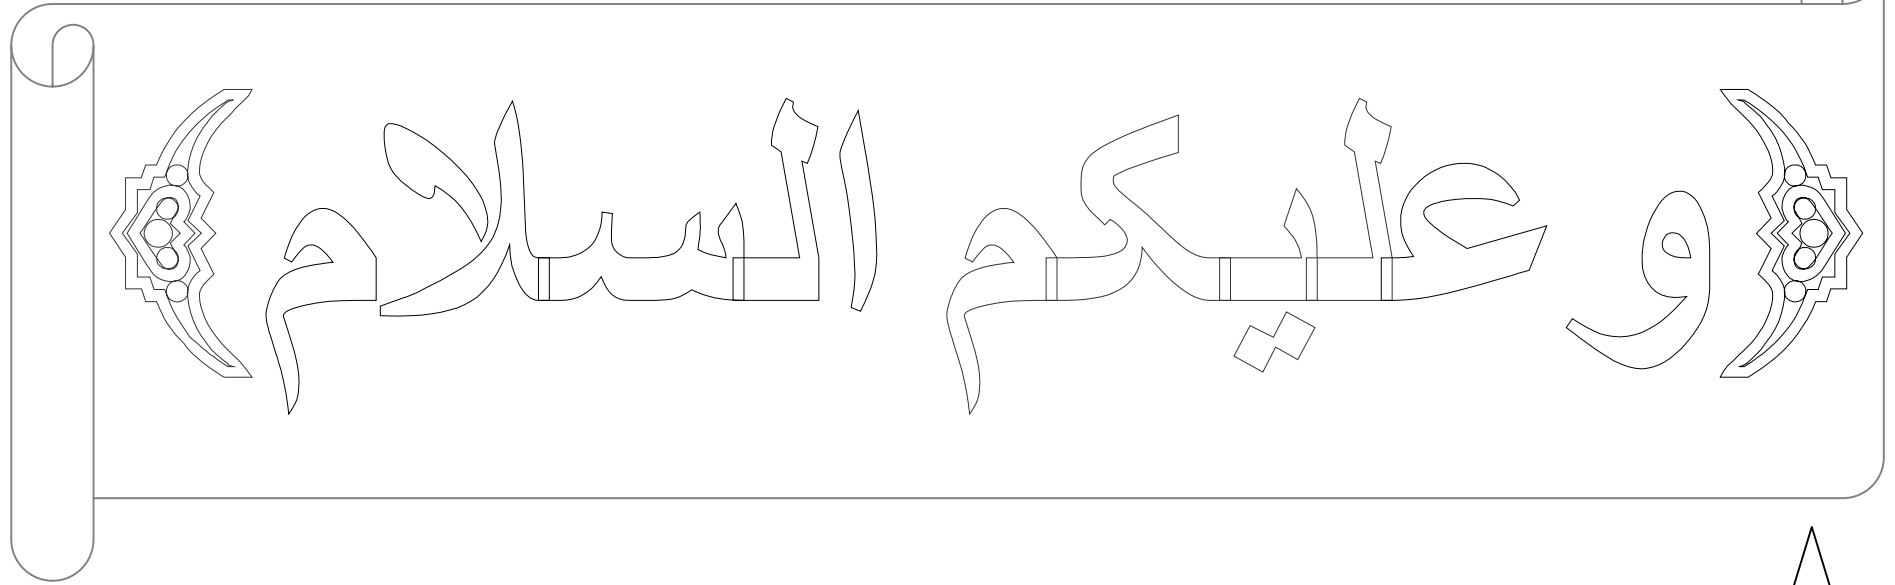

★ May Allah's peace be

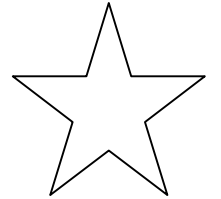

upon you.

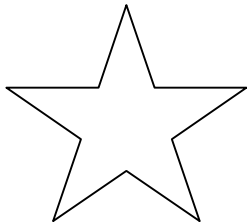

When someone gives me salam, I reply...

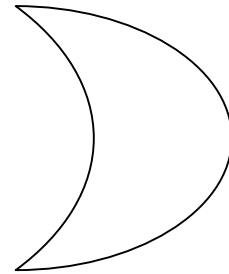

“Wa Alaykum as-Salam”

And upon you be Allah's

peace.

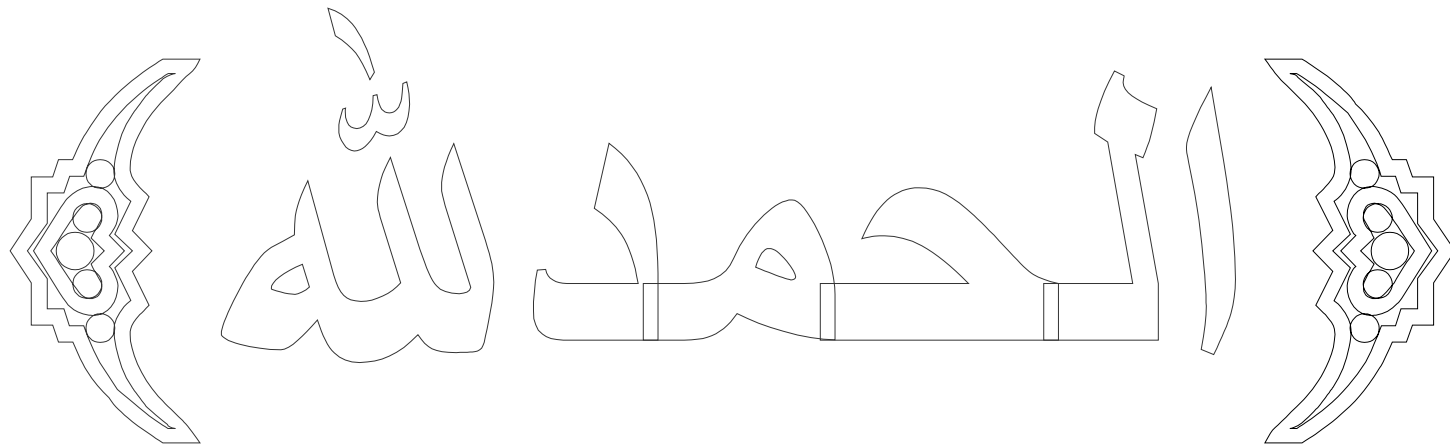

To thank someone I say...

جزاك الله خيرا

“Ja-za-kallah khair”

May Allah give you a  
good reward. 

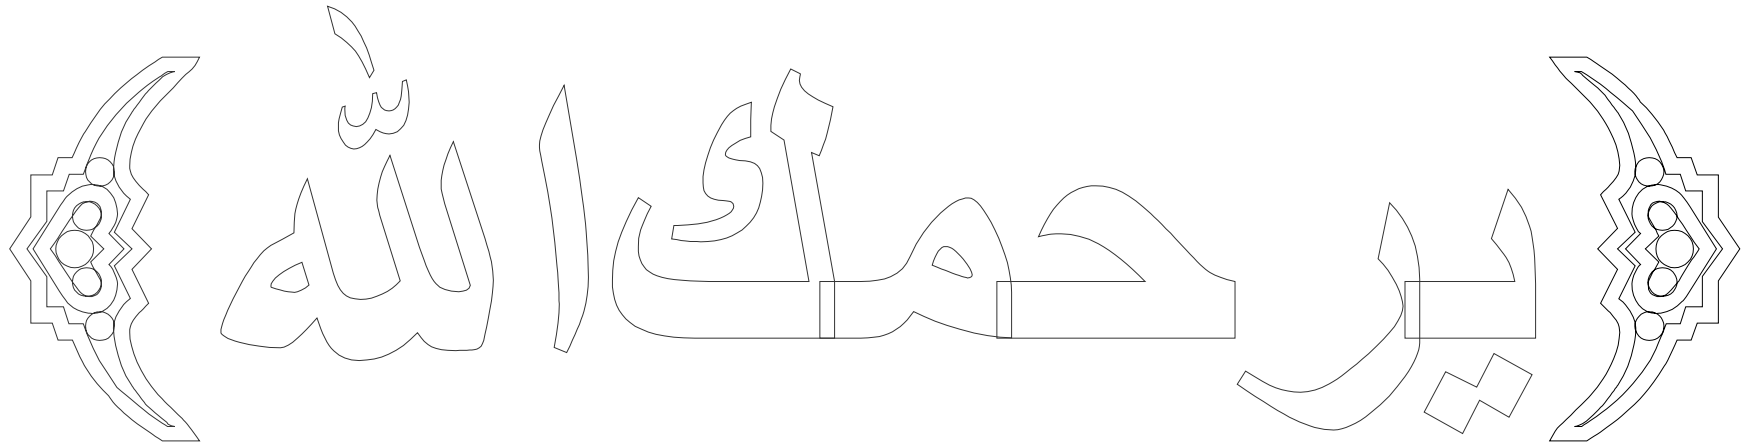

After sneezing I say...

“Al-Hamdulillah”

All praise is for Allah.

After someone sneezes and I hear them say Al-Hamdulillah, I then say...

“Yar-hamu-kallah”

May Allah's mercy be upon  
you.

When I hear someone say Yar-hamu-kallah, I then say...

يَهْدِيكُمْ اللَّهُ وَيُصْلِحْ بِالْكُم

“Yah-dee-kamullahu wa yus-lee-  
hu baa-la-kum”

May Allah guide you and  
make right your affairs.
